**SUBJECT:** 2015-16 Athletic & Academic Fees

The Board of Education has adopted the following schedule for Athletic & Academic fees during the 2015-16 school year. All students, regardless of economic standing will be required to pay the same rate in order to participate in extra-curricular activities.

## **Elementary School**

\$25 per student for academic activities\*

## **Middle School**

\$50 per student for athletic activities

\$25 per student for academic activities

## **High School**

\$40 per student for academic activities

\$100 per student for athletic activities

\$200 max per family

\*Academic activity fees apply for the following: Academic games; chess club; intramurals; and cheerleading.

The fees reflected above allow students to participate in as many athletic & academic activities as they choose. These rates are the same for all students and waivers will only be considered under extreme situations. These situations will include homelessness, catastrophic event, death of one or more parent, and unemployment. Waiver forms for these situations are available on the District Website, and at each school. Individuals requesting waivers will be directed to the Administrative Service Center for an interview upon completion of the paperwork. The waivers will include a brief statement asking the students to consider volunteering with their school.
