**Background Information**

The Dearborn Public Schools Department of Elementary Education administers the Early Childhood Programs. Since 1982, the Dearborn Public Schools has been committed to providing high-quality programs for young children. Years later we began including students from Divine Child middle school and Bryant Middle School into our Kids Club programs. It is important to provide a safe place for students during their middle years where they can work on homework, engage in Core Values related educational activities and explore crafts, activities, and games.

**Curriculum**

Many times parents are not able to pick up their students right after school and Kids Club offers a place for students to work on homework, engage in creativity, problem-solving, socializing, creative group process, skill building, and physical activity after school. The program offers a number of activities as well as giving middle schoolers the opportunity to choose and develop their own path in the program. This is a supervised atmosphere but is not a tutoring program and is not rigidly structured so that students have the opportunity to choose activities to explore.

**Snacks**

We encourage you to provide a healthy snack for your middle school student as it has been a long time since lunch.

**Payment of Tuition**

A non-refundable registration fee of $65 will secure a spot in the program. A monthly invoice is sent via email and due on the 10th of each month for the upcoming month. (Except September) Tuition is paid online through a secure gateway. We do not keep your information on file. The cost is $14.20 per afternoon session.
