

Dearborn STEM Middle School

Ms Hinshaw,

I am writing to you to let you know that the students of STEM middle school in Dearborn, MI all receive free lunch under federal guidelines. This would allow them fee waivers from NUMATS.

Our middle school has a NWEA test requirement to be accepted so all of the students would be considered gifted and talented. If you have any questions regarding this, feel free to contact me or Brian Kemia, our counselor at 313.827.1914 or kemiafb@dearbornschools.org

Thanks you for your assistance in this matter,
