Yearbook Cover Design Opportunity 2023-2024

Would you like to have your artistic creation on the front of our yearbook this year?

Here are the guidelines:

★ The design theme this year is **CSI: STEM.** This phrase must appear in your design along with ideas, pictures, and/or drawings that are relevant to our theme - a crime scene. Think school friendly and fun. NOT weapons, death, blood, etc.

★ **STEM Middle School** and the date **2023-2024** must also appear on the cover design.

★ Your design must be created on an 8 1/2 by 11 piece of paper. Portrait

★ If you are creating a digital cover, it must be your ORIGINAL design (no clipart or downloaded pictures).

★ The design needs to be in color or black and white or a combination of both. Artists choice.

★ You can also design the back of the cover if you would like to create two designs. That design needs to be on its own piece of paper.

★ Your first and last name needs to be on the BACK of the design LIGHTLY written in pencil

★ The design must be turned in to Ms. Fryzel by Friday, December 22nd.

★ Please remember the following when creating your design:
  ○ If you are going to include the class subjects in your design, the design needs to include ALL of the subject areas.
  ○ The design must be in perfect, clean, final form.
  ○ No rubbings, smears, or eraser marks can be seen on the drawing.
  ○ Marker or colored pencil is preferred and colored all in one direction. Acrylic paint can be used if done on the proper paper. NO crayons.
  ○ Design should be organized and well-spaced.
  ○ Be sure to balance white space.
  ○ Do not overcrowd the space
  ○ Avoid excessive words

★ Designs NOT chosen *may* still appear inside the yearbook or as the back cover.
